## 10/100BASE-TX **Single Port Magnetics**

TEL: +86 755 29813112 FAX: +86 755 29813107 Http://www.witchip.com E-mail:sales@witchip.com

## Features

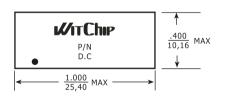

- ♦ Meet the isolation insertion loss and return loss requirements of IEEE802.3
- ♦ Available industry standard and low profile packages
- ♦ Isolation modules are available for most LAN IC manufacture`s
